

How to Use the CC RAP Protocol

After evaluating the patient and the attending confirming appropriateness of the protocol, take the following steps:

1. Go to Quick Orders
2. On the left of the screen is the ED Throughput Box, Click on the Rapid Assessment Protocol Order.

3. Order any other labs or imaging on this same screen
4. Click the green button on the upper right

5. Choose modify on the pop-up

Orders for Signature (1) Clear All

Click a cell to associate a diagnosis to an order. Click a diagnosis name to associate it to all orders
